

Annual Monitoring Form

Group Leader: _____

Date: _____

Site Name: _____

Park / Area: _____

UES Coordinator: _____

Maintenance Priorities for the coming year:

- 1.
- 2.
- 3.

Plant Material Success

Do you have newly planted trees or shrubs on your site? Yes No

If yes, please list species and number:

Plant Name	Plant Type (Shrub (S) / Tree (T))	Number	Alive (A) / Dead (D)	Evidence of deer browse? Y / N

Garbage / Dumping

Is there garbage or dumping on your site? Yes / No

If yes, can you pick it up yourself?

If you need assistance, please describe below:

Erosion

Is there erosion occurring on your site? Yes / No

What type of erosion is occurring?

- a. Gully forming: is there soil being carried away in one channel (that is not a stream valley) due to water?
- b. Mass Wasting: are there large sections of soil that are slumping off of a steep hillside? These slides often leave an indented semi circle left of the hillside.
- c. Other: please describe.

Invasive Plants

In the first column, please circle one choice for ALL SPECIES. Circle choices for other columns as suitable.

	Is this species present on site?			How much compared to last year?			Do you need help?
